

Harvest Kids Summer Adventure – Electives 2017

Just Like Mom (JK-grade 2)

This elective is going to focus on 'being a daughter of a king who is not moved by the world. For my God is with me and he goes before me. I do not fear because I am His'. A few of the activities we will be doing at day camp in this elective are as follows: comparing how the world views us versus how God views us by decorating our own personal mirrors, grocery shopping scavenger hunt to make a delicious treat and a princess tea party. As girls we will be focusing on and memorizing that "strength and divinity are her clothing and she laughs at the time to come" Proverbs 31:25. Looking forward to spending this week with you little ladies.

Sprouts (JK-grade 2)

Campers can look forward to a week of sinking their hands into mud and exploring the goodness of God's creation. This week will draw attention to stewardship of our environmental resources, including how to grow yummy veggies, composting and recycling. Let's get in the garden and GROW!!!

Just Like Papa (JK-grade 2)

This elective will teach young boys the virtues of being a man after God's heart. Young boys will spend a week being mentored by seasoned grandpas! Paul compelled us to be "imitators of me, as I imitate Christ", young boys will engage in activities that promote stewardship, chivalry and leadership as they pursue Christ-like character together.

Summer Scramble (JK-grade 2)

As the saying goes, variety is the spice of life! From Arts & Crafts to First Aid and everything in between, campers will get to try something new every day in this fun elective!

Creation Station (Art) (grades 1-6)

The creative juices will be flowing all week! In this elective campers will work on easy and fun projects, using different art techniques and media. Creating their own masterpieces, campers will develop their artistic and innovative skills.

Science Experiments (grades 1-6)

Join us in the lab! Campers were made for this, find out how pure science can point us back to the Creator of the Universe.

Around The Kitchen (grades 3-6)

Flavour, Food and FUN! Campers will enjoy exploring the rich bounty of food that God has given us, as they learn to plan and prepare scrumptious snacks! One of our most popular electives is back with fresh new ways for campers to enjoy learning about healthy eating habits and hospitality.

Construction (grades 3-6)

Stop! Hammer time! Time to swing those hammers and bang those nails as we build together! Campers will employ different medias to learn hand-crafting skills from a professional carpenter!

Sports (All ages Welcome)

Young sports lovers will have a blast playing games and improving their athletic skills in this elective! Campers will participate in various team sports and activities like tag, capture the flag, relays, and more. This will be a great time of summer outdoor fun!
